COMMISSIONER'S REPORT

To the Citizens of Belknap County:

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Chaplain, and Auditors for the year ending December 31, 1943.

County Farm

In presenting the County Reports for the year 1943 we take pleasure in calling your attention to a very satisfactory administration of the County Home under the supervision of Mr. and Mrs. Leon Flanders. The wealth of information secured by Mr. Flanders in previous years as boss farmer at this institution, served him very well when he became Superintendent.

Abundant crops have been harvested which have been a great help in keeping the per capita cost at a very reasonable figure. Without the milk, cream, beef and pork raised and consumed on the farm, it would have been well nigh impossible to properly feed the large amount of persons domiciled there.

We extend to the Citizens of Belknap County a cordial invitation to visit and inspect the institution at any time.

Welfare and Relief

The cost of relief during 1943 was much less than formerly due largely to the fact that any one wishing to work could easily find an opportunity to do so and at good wages. Other things being equal any one earning his own living is a much bet-

ter citizen and certainly is happier than when on relief.

Belknap Mts. Recreation Area

In accordance with the vote of the delegation authorizing the Commissioners to do what they thought best: the Area has been open to the public through December 1943 and January 1944. The results thus far firmly convince us that what was reported last year was true, namely that the Area in normal times will be more than self supporting and will furnish wholesome recreation for hundreds of people from far and near.

Special

And now, we wish to call to the attention of the citizens of Belknap County, that of all the items in the report there is nothing of such far reaching importance and actual need as the following:

That an absolutely fireproof building take the place of the old wooden structure which now is home for a large number of persons. No one in the County would want to be held responsible for the results if fire should break out in that old building. Several Counties in the State have beautiful fireproof homes. Why should not Belknap?

Respectfully submitted,

OLIVER M. COLBY,

JOSEPH F. SMITH,

JASON E. SANBORN,

County Commissioners.

We hereby certify that we have carefully examined the accounts of the County Commissioners, the Treasurer, and the cash account of the Superintendent of the County Farm for the six months ending June 30, 1943; and that such accounts are properly kept, correct and well vouched; that the sums charged therein for articles purchased appear to be according to the market value and price, according to the best of our information, knowledge and belief; that all such articles have been used for the benefit of the County; and that the charges for the expenses of the County Commissioners appear reasonable.

The County Commissioners have furnished us a sworn statement showing that there are no bills outstanding against the County, except for amounts due in the several towns for aid rendered to paupers and soldiers and their families; bills that have been contracted at the County Farm since the last settlement; Court orders and expenses, the amount of which are unknown to them; bonds to the amount of \$190,500.00; temporary loans to the amount of \$100,000.00, due Dec. 31; and amounts due Commissioners for expenses since April 1, 1943.

SUPERINTENDENT'S REPORT

To the Commissioners of Belknap County:

Gentlemen: We hereby submit our report of the year ending December 31, 1943, for Belknap County Farm, Almshouse, House of Correction and Jail.

We wish to thank the board of Commissioners for their kind cooperation, advice and interest in the institution.

This institution, like many others, is being maintained under wartime conditions and we are glad to report that we have been able to provide amply and sufficiently for the elderly people who make their home here.

We also wish to thank our Chaplain, Rev. Mr. Fitzpatric, Miss Hazel Tinkham, Mrs. Hackett and Commissioner Sanborn for their faithful attendance and musical assistance at services here at the farm.

We are also appreciative of the spiritual help the priests have given and at this time wish to thank the children and all others who helped to make this an especially enjoyable Christmas for the old people.

Respectfully submitted,

LEON W. FLANDERS, Superintendent
BEATRICE M. FLANDERS, Matron

REPORT OF COUNTY SOLICITOR

To the Board of County Commissioners and the
Citizens of Belknap County:

At the March Term 1943 five indictments were
returned against six persons, as follows:

- (1) State vs. Ralph Chase—passing forged check
- (2) State vs. Elmer W. Connor—breaking, enter-
ing and larceny
- (3) State vs. Lawrence E. Downing—larceny
- (4) State vs. Mortimer Farrow—breaking, enter-
ing and larceny
- State vs. Harry Lafferty—accessory
- (5) State vs. Fred M. Portigue—shooting human
in mistake for deer.

At the October Term 1943 six indictments were
returned against four persons, as follows:

- (1) State vs. John M. Kondrot—breaking, enter-
ing and larceny
- (2) State vs. John M. Kondrot—breaking, enter-
ing and larceny
- (3) State vs. John M. Kondrot—breaking, enter-
ing and larceny
- (4) State vs. Lauren Smith—breaking and enter-
ing with intent to commit larceny
- (5) State vs. Emile J. Paquette—larceny of poul-
try
- (6) State vs. Everard Ellsworth — aggravated
assault.

All the respondents pleaded guilty, with the
exception of Everard Ellsworth, who pleaded nolo.
Suspended sentences were ordered by the court in
6 cases, with accompanying orders in most instances

as to payment of costs, restitution and probation. A fine, suspended on payment of costs, was ordered in the Portigue case, where the circumstances appeared to be extremely mitigating. The statute governing such cases makes any person guilty of a crime if he shoots another human being in mistake for a deer, regardless of whether there is any evidence of negligence whatsoever. Three cases were ordered by the court to be continued for sentence, and one respondent was committed to the House of Correction.

The effect of the war is discernible in criminal prosecutions as in every part of our community life: first, by the decrease in the number of offenses, explained in part by the fact that many former and prospective offenders have been taken for service in the armed forces; second, by the fact which I think is apparent from the record that there is some reluctance to confine a respondent if he is contributing or can contribute to the war effort, providing the circumstances of the offense are not extreme; and third, in that at least two cases which involved felonies by soldiers were on request of military authorities turned over to them for trial and disposition.

Of the twelve offenses, four were committed in the city of Laconia and eight in other parts of the county.

More than sixty cases have been prosecuted by this office during the past year, including the felonies above mentioned and misdemeanors which were disposed of in the various municipal courts. In addition I have continued to furnish advice when requested on all matters concerning the county.

I wish to take this opportunity to call to the attention of the police officers and other officials of the various towns that all felonies or suspected felonies should be reported immediately to either the Sheriff or this office, regardless of the hour of the day or night. The investigation of major offenses is the responsibility of the sheriff's department in communities having no organized police force, and the prosecution of such offenses is the responsibility of this office. Such a procedure is contemplated by the law, is more likely to ensure the efficient cooperation of local, county and state authorities in major offenses, and is necessary to relieve the town of the expense of investigation of felonies.

Respectfully submitted,

ROBERT V. JOHNSON,
County Solicitor.

CHAPLAIN'S REPORT

Belmont, N. H.

February 2, 1944

Belknap County Commissioners

Court House

Laconia, N. H.

Gentlemen:☐

In submitting my twelfth annual report as Chaplain for Belknap County, I wish to express my appreciation of your kind cooperation in the work which I have endeavored to do for the inmates at our Belknap County Home. I wish to thank Commissioner Jason Sanborn for so kindly assisting in our Sunday meetings during the past year, and also Superintendent and Mrs. Flanders who have been most kind in helping further my work as Chaplain. It has been a real pleasure to carry on the work among the different groups at the Home and I sincerely trust that the work which I, and those associated with me, have tried to do, has helped to lighten the burden of some at least.

The past year has brought about the same amount of sickness and number of deaths as in other years. Among those who have died was Mrs. Nora Young, who has been one of our most faithful attendants at the services. She will be greatly missed in the life of the Home, having been there for many years. At the present time we have a large number of older inmates who are feeble and we realize that many changes will take place in the year to come.

During the years several outside groups have come to the home with gifts and programs which have been a great help to the life of the Home. I

trust that during the coming year more may be interested in the work of our Belknap County Home.

As one greatly interested in the care of the poor of our county, I trust that the day may not be far distant when we may have a new building in which to carry on the work of the County, with special facilities for children's wards.

Trusting that the coming year may be a successful one for you as Commissioners and Superintendent and Mrs. Flanders in your duties, and those of us who may have some small part in the spiritual work, I am,

Sincerely,

FREDERIC W. FITZPATRICK,
Chaplain.
